

15 DECEMBER

# MEETING 2020 MATERIALS

ORGANISING PARTIES

**m2i** materials  
innovation  
institute

**4TU**.HTM

  
Bond voor Materialenkennis

# WELCOME!

# Opening

Rob Boom  
M2i Senior Scientific Advisor

# Take time for safety

Are you participating with more than one person in a room? Please wear a face mask!

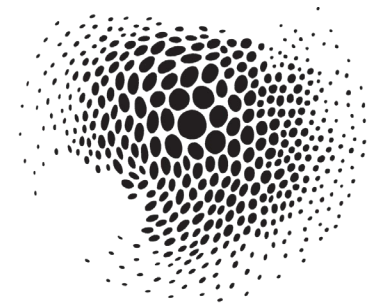

# Meeting Materials

## Organizing Committee:

- Rob Boom
- Iulia Degeratu
- Bert van Haastrecht
- Reina Boerrigter
- Jilt Sietsma
- Matthijn de Rooij
- Hans van der Weijde

## Project coordination and planning:

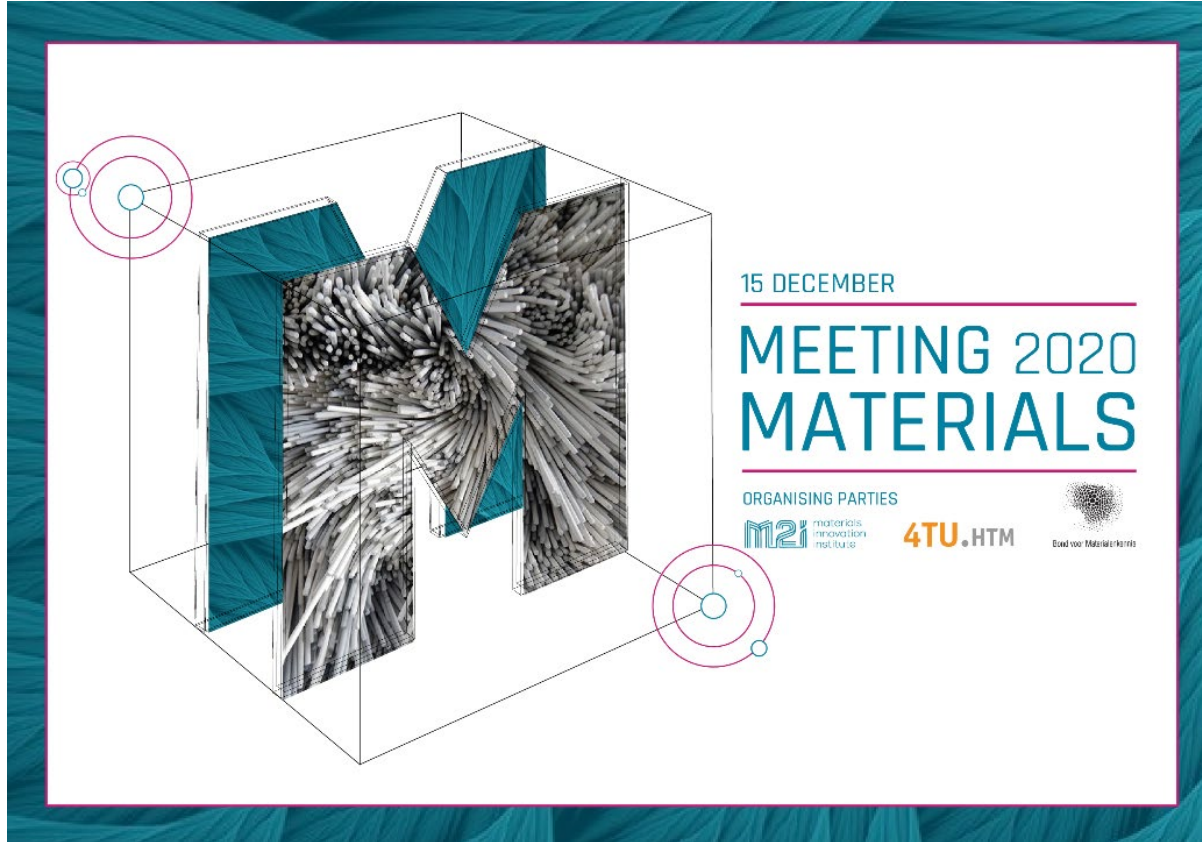

- Marcella Klouwens
- Anniek Enserink
- .. and all of M2i

Bond voor Materialenkennis

# Program

## Special Topic:

- National Agenda Materials

## Sessions:

- Durability & Reliability of Structures
- Tribology
- Additive Manufacturing & Metals
- Qualify
- Materials for Energy

# Keynote speakers

## Morning

Albert Polman  
Amolf

Philip de Goey  
TU/e

Joep Broekhuijsen  
Damen

## Closure

Maria Loi  
RUG

# WAAM Design Contest

During Meeting Materials, M2i has organized an open Additive Manufacturing Design Contest for young engineers. The award ceremony will be at 12.00.

## Prizes:
