

Opening

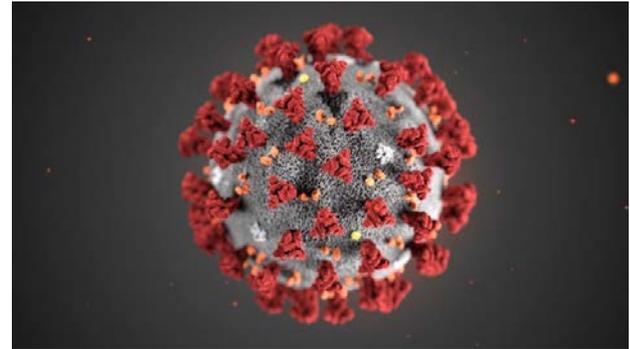

Rob Boom
M2i Senior Scientific Advisor

Take time for safety

- Covid virus is still around
- No more face masks
 - Stick to basic restrictions

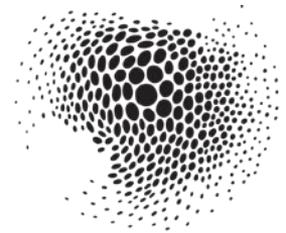

M2i Conference & Meeting Materials

Organizing Committee:

- Rob Boom
- Reina Boerrigter
- Ton van den Boogaard
- Bernie van Leeuwen
- Vincent Ritman
- Jilt Sietsma
- Erik Vegter

Project coordination and planning:

- Marcella Klouwens
- Anniek Enserink
- Andrea Conrad
- .. and all of M2i

Bond voor Materialenkennis

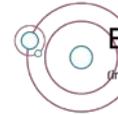

5 April- Meeting Materials

This year's
TOPICS

5 APRIL
**MEETING 2022
MATERIALS**

ORGANISING PARTIES

Engineering Materials

(incl. additive manufacturing and steel manufacturing)

Sustainability

**Artificial intelligence in materials
modeling and manufacturing**

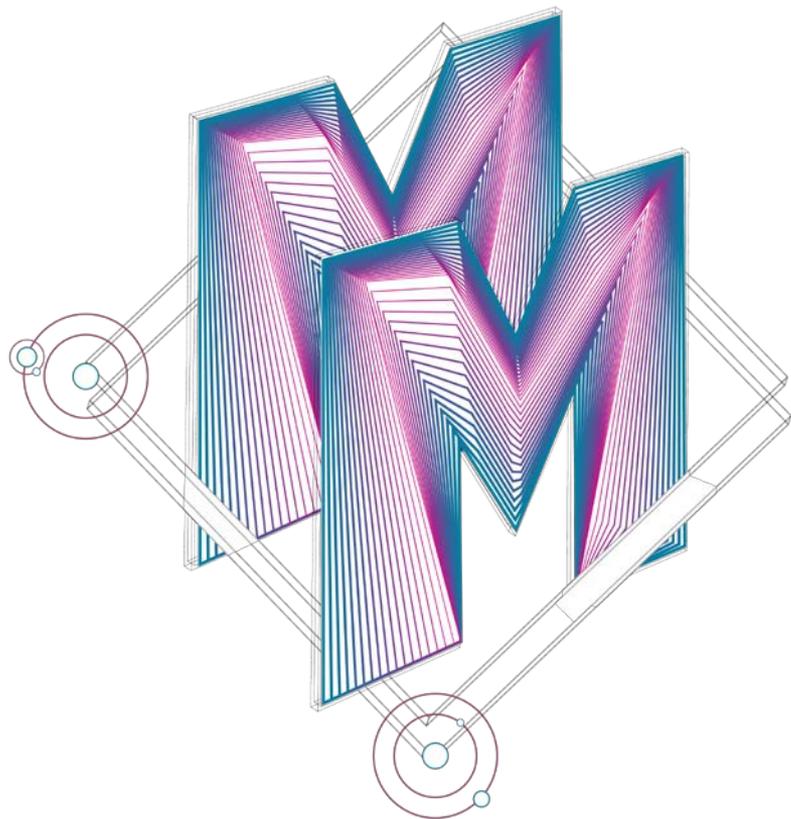

**Advanced Materials
Characterisation /
SmartLight**

Metamaterials

**Additive
Manufacturing**

Elevator pitches + market fair

Grade2XL Design Contest- Award Ceremony

5 APRIL

MEETING 2022
MATERIALS

ORGANISING PARTIES

m2i materials innovation institute

4TU.HTM

Dood voor Microkenners

 **Grade2XL**

PRINTING OF DESIGN
BY
RAMLAB

Keynote speakers

Opening and news from M2i

Marco Bosman, M2i

Erik Vegter, M2i

Keynote speakers

Why hydrogen as zero carbon energy carrier, feedstock and reducing agent?

Ad van Wijk

Keynote speakers

What the latest climate science tells us and implications
for accelerating the materials transition

Paul Behrens

Keynote speakers

Sustainable materials solve big societal problems

Albert Polman

Thank you

& Welcome!
